Gavel & Gown Software Releases Amicus 2010 Product Line

Amicus Attorney 2010 Premium Edition, Amicus Attorney 2010 Small Firm Edition, Amicus Accounting 2010 and Amicus Mobile 2010 now available

Toronto, ON (January 4, 2010) - Gavel & Gown Software Inc., a leading developer of practice management software for lawyers, announced today the launch of its Amicus 2010 suite of software products. The Amicus 2010 product line includes four products: Amicus Attorney 2010 Premium Edition, Amicus Attorney 2010 Small Firm Edition, Amicus Accounting 2010 and Amicus Mobile 2010.

"We have built the 2010 line of Amicus products to be the smartest software we have ever produced," says Ron Collins, President of Gavel & Gown Software Inc. "We are excited about the productivity increase the 2010 Amicus line will bring to law firms from all over."

Amicus Attorney 2010 includes many new features designed to improve workflows and save time. These start with the calendar, with enhancements ranging from tracking adjournment histories (reasons and dates) to event priorities that increase as deadlines approach. Smarter file management includes the ability to set up action items that will automatically happen when new files are opened. New teamwork capabilities include a Firm Member Availability system for better coordinating your workgroup. And much more.

Amicus Accounting 2010 is a legal billing and accounting application which, when partnered with either Amicus Attorney 2010 Premium Edition or Amicus Attorney 2010 Small Firm Edition, provides a total front office - back office solution for law practices. New features in Amicus Accounting 2010 include a firm-wide view of client expenses, electronic bills for matters and the ability to add courtesy discounts to client bills.

Amicus Mobile 2010, a Premium Edition add-on, enables users to connect and work with vital practice information on their smartphones in real-time.

The 2010 Amicus family of products are available immediately through Gavel & Gown Software's extensive sales channel. For more information or a free trial of these new products please call 800-472-2289 or visit us online at www.amicusattorney.com.

About Gavel & Gown Software

Founded in 1993 and headquartered in Toronto, Gavel & Gown Software's mission is to make law firms more productive and profitable, while providing lawyers with greater peace of mind. Amicus Attorney is the world's leading practice management software for lawyers, with tens of thousands of law firms worldwide using the product. Gavel & Gown's numerous achievements are recognized through the success of its customers and through its alliances with key strategic partners. As a measure of this phenomenal success, Amicus Attorney has won more than 30 prominent industry awards, has been endorsed by major law societies and has been recognized by

independent surveys as the most widely used practice management software in the USA. For more information, please call (800) 472-2289 or visit www.amicusattorney.com.
