

Upgrading to Amicus Attorney V+

Amicus Attorney V+ is available in three separate and distinct Editions.

All Amicus Attorney V+ Editions have been designed for specific user needs and requirements, from an excellent entry-level product to a full-featured Client/Server product.

Definitions

Install – Creates a new version of Amicus Attorney V+ in new directories.

Update – Refreshes the files of an existing Amicus Attorney V+ installation. This procedure is normally used for maintenance updates.

Upgrade – Converts a previous version of Amicus Attorney to the latest version of the same or corresponding edition. Converts a lower edition of Amicus Attorney to the latest version of a higher edition. The upgrading procedure may require re-licensing.

Upgrade Notes

- You cannot upgrade from Version 3.x or earlier to Version V+ of Advanced Edition if the Team has more than 29 users. The Team must be converted to the Client/Server Edition.
- Any current Standalone or Team Amicus Attorney office can be upgraded to the Client/Server Edition.
- Versions prior to 1.5.4 require a Two-Stage upgrade to arrive at Version V+. This entails first upgrading to Version 1.5.4 and then upgrading to Version V+.
- When upgrading from any previous version to Amicus Attorney V+, re-licensing is required.
- When upgrading from any network capable Amicus Attorney product prior to version 2.6x, re-licensing is required.
- When upgrading from any standalone version of Amicus Attorney to Amicus Attorney V+ Organizer, Advanced, or Client/Server Editions, re-licensing is required.
- No Amicus Attorney product can be downgraded. For example, once an Amicus Attorney V+ Client/Server Edition has been installed, it cannot be downgraded to an Amicus Attorney Advanced Edition.
